

Question Types:

1. Main conclusion - what the author actually wants to prove.
2. Assumption - what the author takes for granted without saying so outright.
3. Strengthen / weaken - which additional fact would strengthen or weaken the conclusion.
4. Inference - what can be logically inferred from the text alone.
5. Author's tone / attitude - sceptical, critical, ironic, neutral.
6. Vocabulary in context - rare, but it happens.
