

Top tips

To get an apprenticeship

1. Know yourself

What are your skills, interests, and sensibilities?
...Unsure? Take a look at these quizzes to help you get started, helpyouchoose.org

2. Explore apprenticeship standards (types of jobs)

There are hundreds of different apprenticeships! From Architecture to Zoology. There's something for everyone. Check out the full list at amazingapprenticeships.com

3. Search live opportunities

You can search live opportunities at [Find an apprenticeship – GOV.UK](https://findanapprenticeship.gov.uk) as well as exploring careers platforms, company websites sites and their social channels.

4. Gain Experience

Reaching out for work experience, placements and volunteering opportunities can really help you stand out. Visit helpyouchoose.org/information/work-experience

5. Consider Vocational Courses

T levels can offer work-based learning and a qualification. These are a great stepping stone for apprenticeships and future job opportunities. Look at [Tlevels.gov.uk](https://tlevels.gov.uk) for details.
